

# Our October Cravings

Everything new and trendy

## Celebrate spring with a bubbly popsicle!

The perfect treat to celebrate the arrival of spring is with Pierre Jourdan Wine Popsicles – or PJ Pops. Choose from two delish flavours ... one made from the Pierre Jourdan Brut, a Cap Classique, the other is a still wine popsicle made from Pierre Jourdan Tranquille ... a lovely blend of Pinot Noir and Chardonnay, from the Franschoek cellar Haute Cabrière. You'll find them at Pick n Pay stores and Pick n Pay Liquor, for around R25 each

## Pretty pretty!

Our feet are also celebrating spring. Treat them to this pretty pair of pink sandals. It's feminine and comfy and is from Melissa's new summer range. R1399 from Melissa, Eastgate, Bedfordview.

## Mermaid throw

Anyone with a fascination for mermaids will just love this throw. Even although it's summer, there will still be chilly evenings when a mermaid needs to tuck her tail into something cosy! Available at R499.99 from Typo, East Rand Mall, Boksburg.

## A luxurious spoil

Experience the luxury of a pear and magnolia soap bar - a vegetable-based soap with Shea and cocoa butters, fragranced with the enticing aromas of pear, pink magnolia, jasmine and osmanthus. It's been triple milled to last longer and to carry the scent through the bar. Prepare yourself for a luxurious lather that gently cleanses the skin. Grab your bar online at R200, via [www.crabtree-evelyn.co.za](http://www.crabtree-evelyn.co.za).

## Pinkdrive

Show that you really care and support Pinkdrive in its "Early Detection Saves Lives" drive, by purchasing items from its website: [www.pinkdrive.co.za](http://www.pinkdrive.co.za). Protect your skin against the sun: sun screen, R15, sexy cowboy hat, R80. Keep your handbag neat with a Proudly Pink handbag insert, R50.
