

Grande Country Picnic Terms & Conditions

Picnics are weather-dependent. The venue may change, or reservations may be cancelled, should weather conditions be unsuitable.

Our picnics are a self-service experience. Guests are welcome to select their preferred spot in our gardens and will be seated on picnic blankets.

Picnic blankets are included with each basket. Scatter cushions or loungers may be selected as an optional extra on-site, at no cost.

Full pre-payment is required for all picnic baskets.

A minimum of 48 hours' notice is required for picnic bookings of *8 guests or more*, within business hours.

A minimum of 24 hours' notice is required for picnic bookings of *fewer than 8 guests*, within business hours.

We are unable to accommodate dietary requirements for picnics, and the kitchen is not Halaal certified.

Picnic basket collection times are between 11h30 and 15h00 from the Bistro side of the estate.

Picnic cancellations must be submitted in writing to the Reservations Department during business hours, at least 24 hours prior to the booking, to qualify for a full refund.

Please note that cancellation policies for standard picnic bookings differ from those applicable to group picnic experiences.
